

February 2024

Dear Animal Rescue Organization,

At The Hometown Foundation, Inc. we know that pets are family. That is why we are proud supporters of the animal welfare community. Through our initiatives to help animals in need, we have facilitated the adoption of hundreds of dogs and cats, donated hundreds of thousands of pounds of pet food, litter, and medical supplies, helped transport animals out of disaster-stricken areas, and so much more.

Since 2012, we have been proud to host pet adoptions at our signature Dream Ride Experience, a large-scale charity event that brings people together from all over the world to benefit The Hometown Foundation, Inc. The Dream Ride Experience pet adoption expo brings rescues from the East Coast together to foster a community of animal welfare advocates and to find loving families for homeless pets. This year we will be welcoming pet rescuers to join us on Saturday, August 24 and Sunday, August 25, 2024.

We would like to invite your organization to bring your adoptable animals at no cost to our pet adoption event in the hopes of finding their forever homes! With an expected attendance of more than 15,000 people and extensive press and social media coverage, The Dream Ride Experience is not only a great way for you to find homes for your pets in need, but to also raise public awareness and a wider following for your organization!
